

GLOBAL SOCCER SCHOOLS

GLOBAL SOCCER SCHOOLS Code of Ethics for Players

During the coaching hours of any Global Soccer Schools, the Head Coach and coaching staff have **full responsibility** for the children within our care. For this reason, GSS reserve the right for their coaching staff to have full authority for the coaching of or young players during GSS sessions.

We ask therefore that all Players **agree to** and **respect** the following guidelines;

- > Players are to arrive on time and in the correct frame of mind to participate in physically demanding activity. If a player is running late, we encourage them to telephone/txt the coaching staff to inform them. Head Coach Daniel Walker can be contacted on **07968 778681** or **daniel.walker@globalsoccerschools.co.uk**
- > Players are to wear their official **GSS Training Kit** at all times during training and any other Global Soccer Schools related activities. It is a players responsibility to make sure their kit is clean and tidy and appropriate for the weather conditions.
- > A coach must be informed of any injuries or illnesses that a player may have.
- > Players must bring plenty of still drink with them, preferably water. No food is to be consumed during training - unless for medical reasons.
- > If a player needs to speak to their parent during sessions, they must speak with one of the coaching team first.
- > GSS will not tolerate players who abuse, both physically and verbally, coaches, players, parents, spectators and officials. There are no second chances, ill behaved players will be barred from all our Global Soccer Schools.
- > Players who spit, swear and conduct themselves in an anti-social way, will be barred from all our GSS.
- > Players are encouraged to play always by the Laws of the Game.
- > Children should realise that honest endeavour is as important as winning, so that the result of each game, match or practice drill is accepted without disappointment.
- > Players should set a good atmosphere by applauding good play on both sides.
- > We welcome comments from you and coaches will be available prior to and at the end of coaching sessions. Please feel free to contact Head Coach Daniel Walker on **07968 778681** or **daniel.walker@globalsoccerschools.co.uk** with any questions and comments.

Thank you for your co-operation.
